BIO FOR

**James A. Matney**

WVDHHR Bureau for Behavioral Health

Jim Matney is a West Virginia Certified Alcohol and Drug Counselor who has worked in the field of substance use disorder for over 35 years, developing and operating programs for adults, youth and families with substance use and co-occurring disorders. His work includes both administrative and direct services in the area of assessment, treatment, training, supervision and compliance to state and federal regulations governing addiction services. He is currently the designated contact for the Single State Authority for substance abuse services in West Virginia and the State Opioid Treatment Authority.
